practicum student has the knowledge, skills, and attitude required to become an effective student teacher? *

General Comments: The observed lesson was appropriate for the student although very basic in nature. The lesson addressed the student's IEP goals and the instruction was suited to the student's specific needs. MaryJo demonstrated patience and confidence as she prompted the student to remain engaged in a variety of activities. Through discussion, MaryJo demonstrated an understanding of the student's instructional level and programming. Overall, I believe MaryJo has the skills and demeanor to be a competent special education student teacher.
